

Build Your Whole Team with Claude — 42 Skills

I turned Claude into an entire company.

42 skills, organised like a real org chart. Seven departments, all run by claude-code as the CEO. Every one is a real, installable skill.

Here is every department, and where to get each one.

Developers

- **Superpowers** → <https://github.com/obra/superpowers>
- **Context7** → <https://github.com/upstash/context7>
